First top-class acts such as **David Guetta**, **AnnenMayKantereit**, **KRAFTKLUB**, **Alan Walker**, **Glass Animals**, **Zoe Wees** and **Kaya Yanar** are already confirmed for SUPERBLOOM 2022 - advance ticket sales start now.*

Berlin/Munich, 23rd November 2021 - After two postponements due to the pandemic, SUPERBLOOM 2022 will transform Munich's traditional Olympic ground on 3rd and 4th September 2022 into an unforgettable wonderland. Over two days, visitors can expect national and international superstars on several stages as well as numerous experience areas with different entertainment focuses.

The first confirmed artists include the crème de la crème behind the turntables: superstar **David Guetta**, luminary of electronic dance music and **Alan Walker**, who is currently delivering one hit after another, are among the first confirmed DJs, along with **Purple Disco Machine** and **Joel Corry**. **AnnenMayKantereit**, singer-songwriter **LEA** and the band that never wanted to come to Berlin and is coming to Munich instead, **KRAFTKLUB**, lead the bunch of national artists. The biggest British single export at the moment is provided by indie rock band **Glass Animals**, who will surely also perform their song "Heat Waves" at the **SUPERBLOOM 2022**. Power woman **Zoe Wees** from Hamburg, who has won gold and platinum awards in over ten countries with her single "Control", and Belgian musician and producer **Stromae**, who will celebrate his Europe-wide exclusive festival comeback at **SUPERBLOOM**, will also get the crowds excited. In addition to the musical highlights, Berlin comedian and actor **Kurt Krömer** and comedy star **Kaya Yanar** will entertain the audience with great humor. Many more artists and podcasters will become part of the line-up.

SUPERBLOOM is more than just a music festival: the numerous areas offer experiences for all the senses. With a total of eleven experience areas, visitors always have the opportunity to discover and interactively create something. **District4**, for example, is a lifestyle-fashion-sports area. **YourPlanet** and **SuperBrain**, on the other hand, deal with topics related to sustainability, science, medicine and research. Art will happen at **ArtBloom** and **LakeGallery**: Here you will find imaginative sculptures and unique installations as well as urban art created by national and international street artists. In the **Spectacular** area, visitors will be amazed by dance, acrobatics, circus and performance. Families and all younger guests will experience many adventures in the magical world of the **MiniBloom**. At the heart of the Kids Area, the **Daisy Stage**, numerous artists will provide the best entertainment.

Further experience areas and all content details will be announced in the coming months.

Advance ticket sales start now. The 2-day ticket for Saturday and Sunday is available from 159 EUR. Teen tickets for 12-15 year-olds are offered at a reduced price of 99 EUR and limited Kids tickets for free.
